Arthroplasties

Digits

Swanson MP Arthroplasty (Rheumatoid or Osteoarthritis)	7
Swanson MP Arthroplasty (Osteoarthritis)	10
Pyrocarbon MP Arthroplasty (Osteoarthritis and Trauma)	13
Swanson PIP Arthroplasty (Volar Approach)	16
Trapeziometacarpal Joint Arthroplasty/Trapeziectomy (Osteoarthritis)	19
Trapeziometacarpal Suspension Arthroplasty (Osteoarthritis)	22

Elbow

Total Elbow Arthroplasty	25
---------------------------------	----

Shoulder

Total Shoulder Arthroplasty	28
Reverse Total Shoulder Arthroplasty	33

Wrist

Ulnar Head Replacement Arthroplasty	38
Constrained Total DRUJ Arthroplasty... ..	41

Biceps/Triceps Rupture

Partial Distal Biceps Tendon Rupture (Nonoperative)	44
Distal Biceps Tendon Rupture (Operative with hinged elbow brace)	46
Distal Biceps Tendon Rupture (Operative with Immediate AROM)	49
Distal Triceps Rupture (Operative with hinged elbow brace)	51

Dupuytren's Disease

Surgical Release... ..	54
Open Palm or McCash Technique... ..	57
Collagenase Enzymatic Injection	60

Extensor Tendon Injuries

Digits

Zone I and II (Non-surgical)	62
Zone I and II (Surgical)	65
Zone III Acute Closed Injury or Closed Boutonniere	68
Zone III and IV Repair(Static)	70
Zone III and IV Repair (Short Arc Motion)... ..	73
Zone V-VIII Repair (Static)	76
Zone V-VII Repair (Short Arc of Motion)	80
Zone IV-VII Repair (Relative Active Motion, RAM)	84
Zone V-VI Repair (Modified Relative Active Motion, mRAM)	89
Nonrheumatoid Sagittal Band Closed/Acute Injuries (Relative Motion)	93
Nonrheumatoid Sagittal Band Closed/Acute Injuries (Static)... ..	95
Sagittal Band Repair (Dynamic)	97

Nonrheumatoid Sagittal Band Repair (Relative Motion)	100
Sagittal Band Repair (Static)	102

Thumb

Zone I (Static)	104
Zone II (Static)	107
Zone III-IV (Static)	110
Zone V (Static)	113
Zone IV-V (Short Arc of Motion)	116
Extensor Tenolysis	119

Flexor Tendon Injuries

Digits

Modified Duran	122
Modified Kleinert	127
Early Active	133
WALANT Flexor Tendon Repair Zone II (Early Active)	140
Staged Flexor Tendon Reconstruction (Hunter Technique with Graft)	144
Staged Flexor Tendon Reconstruction (Modified Paneva-Holevich Technique)	152
Digital Pulley Injury (Conservative Management)	160
Digital Pulley Reconstruction/Repair	163

Thumb

Modified Duran	165
Modified Kleinert	170
Flexor Tenolysis	175

Ligament Injuries

Elbow

Ulnar/Medial Collateral Ligament Sprains Overhead Motion Protocol	178
Ulnar/Medial Collateral Ligament Reconstruction	182
Lateral Ulnar Collateral Ligament Sprains (Overhead Motion Protocol)	187
Lateral Ulnar Collateral Ligament	191

Thumb MP

Radial or Ulnar Collateral Ligament Sprain/ Strain Injuries	195
Radial or Ulnar Collateral Ligament Repair/ Reconstruction	198

Wrist

TFCC Ligament Injury (Conservative)	201
TFCC Ligament Injury (Debridement)	204
TFCC Ligament Injury (Repair)	208

Nerve Repairs

Nerve Repairs of the Upper Extremity Distal to the Elbow	211
---	-----

Nerve Transfers

Nerve Transfers for Elbow Function	215
Nerve Transfers for Shoulder Function	220
Nerve Transfers for Hand Function Following Brachial Plexus Injury	225
Nerve Transfers for Hand Function Following Isolated Nerve Injuries	230

Replantation

Digit(s)	235
Hand	240
Thumb	244
Arm	248

Shoulder

Impingement	252
Rotator Cuff Repairs... ..	258
Adhesive Capsulitis	265
Shoulder Acromioplasty	270
Traumatic Anterior Dislocation of the Shoulder (Conservative)... ..	274
Atraumatic Instability of the Shoulder (Conservative)	278

Tendinopathies of the Elbow

Lateral/Medial Epicondylitis (Conservative)	283
Lateral/Medial Epicondylitis (Postoperative)	288

Tendon Transfers

Radial Nerve Injuries (Early Mobilization)	293
Radial Nerve Injuries (Immobilization)	297
Median Nerve Injuries	301
Low Ulnar Nerve Injuries (Early Mobilization)	306
Ulnar Nerve Injuries (Dynamic Transfers)	310
Rupture of the EPL (Early Mobilization)	315
Rupture of the EPL (Immobilization)	319
Rupture of the FPL (Early Mobilization)	323
Rupture of the FPL (Immobilization)	328

Wrist

Distal Radioulnar Joint

Ulnar-Shortening Osteotomy... ..	332
Partial Distal Ulnar Resection (Darrach Procedure)	335
Partial Distal Ulnar Resection (Wafer Procedure)	338
Hemiresection-Interposition Arthroplasty of the Distal Ulna (Bowers' Procedure)	341
Arthrodesis of the DRUJ and Pseudarthrosis of the Distal Ulna (Sauvé-Kapandji Procedure)	344
Matched Distal Ulna Resection (Watson Procedure)	347

Carpal Instability

Dorsal Scapholunate Ligament Injury/Partial Tear (Early Controlled Conservative)	350
Dorsal Scapholunate Ligament Repair/Reconstruction	353
Partial Wrist Arthrodesis... ..	357
Proximal Row Carpectomy... ..	361
Total Wrist Arthrodesis	364
